Mack Library Periodicals offers resources to equip your classroom and provide your students with current information in their field. This brochure is a list of the education periodicals that Mack Library currently receives in print. A complete list of holdings within this subject is available through the periodicals office, and numerous journals are accessible through the databases found on the library website.

Research Assistance
The Periodicals Office provides assistance with locating articles and answering research questions. Email journals@bju.edu, call ext. 6040, or visit libanswers.bju.edu to submit a question online.
