

ATLA Religion Database with ATLASerials combines the premier index to journal articles, book reviews, and collections of essays in all fields of religion with ATLA's online collection of major religion and theology journals. Updated monthly, ATLA Religion Database (ATLA RDB) contains full-text articles and reviews from more than 530 journals, 971,000 records

ATLA Religion Database with ATLASerials is searched in the same manner as all other EBSCO databases. Follow the instructions for basic searching in the "EBSCO Searching" booklet. This page lists some of the unique features of ATLA.

The search term "Bob Jones University" retrieved 54 items. Articles are listed beginning with the most relevant articles published. The words "HTML Full Text" and "PDF Full Text" note that the text is available electronically. To view an article, simply click one of the blue links.

The screenshot shows the ATLA Religion Database search interface. At the top, there's a navigation bar with links like "New Search", "Publications", "Scriptures", "Thesaurus", and "More". A search bar contains the text "bob jones university". Below the search bar are buttons for "Search", "Create Alert", and "Clear". The search results are displayed in a list format. The first result is "Amicus curiae brief re Bob Jones University and related actions" by the United Presbyterian Church in the USA, dated July-August 1982. The second result is "Statement about race at Bob Jones University" from Criswell Theological Review, dated February 2009. The third result is "Freedom of religion versus public policy: 'Bob Jones University v United States': a case study" by Lejon, Kjell O U., dated 1996. On the left side, there's a "Refine Results" panel with options to limit results by "Full Text", "Abstract Available", and "Scholarly (Peer Reviewed) Journals". On the right side, there's a "News wires" section with links to recent news articles about Bob Jones University.

Φ Clicking the "Add to Folder" button places an article in a personal folder. These articles may be printed or e-mailed later. ATLA e-mails the citations and/or the full text.

Φ ATLA includes three special search features: Publications, Scriptures, and Indexes. Use the Publications and Indexes features to search for articles from a particular journal.

The "Scriptures" feature allows a search for Bible passages by book, chapter, and verse. For example, if one wants to see all articles for Genesis click on the "blue" Genesis. If one wants a specific chapter, choose [Expand] and click on a chapter. If one wants a specific verse, choose [Expand] and click on the verse.
